View 7 Inset High-Output Boiler

Contemporary Inegrated Boiler Stove

This integrated boiler stove has the capability of efficiently heating a room and supplying domestic hot water and central heating for up to 8 radiators.

The View 7 Inset High-Output Boiler has a cast iron door and large glass window to enjoy the burning flames. There is an optional extra of a glass top plate for a more contemporary look, and the plinth has a glass front as standard.

From 1st July 2013 it became a mandatory requirement to have a Thermostat fitted to all boiler stoves. Therefore from this date, all Stovax Boiler stoves now come supplied with a Thermostat as standard.

View 7 Inset High-Output Boiler – Key Facts
