Riva 50 Multi-fuel Fire

An impressive new edition

Giving a wonderful view of the radiant, dancing flames, the Riva™ 50 is an impressively efficient new edition to the Riva™ family.With clean, contemporary lines designedd to fit into a 22" high and wide fireplace opening, the Riva™ 50 can be installed with relative ease on to a hearth with a 3 sided frame, or with a 4 sided frame to create a 'hole in the wall' look.

Furthermore,the option of a fan-assisted convection circulation kit provides for quicker heat delivery into the room when first lit. The Riva™ 50 has also been approved for the burning of wood in Smoke Control Areas when fitted with an optional Smoke Control Kit.
