Studio Pienza, Firenza & Sienna Gas Fire

A beautiful, natural design statement

The Firenza, Pienza and Sienna stone frames offer three stylish natural options to complement your Studio fire. This range has been created to add maximum visual impact and it blends the subtle textures and delicate tones of natural stone with the very latest in fireplace design.

Available in a choice of two sizes of Open Fronted Studio, the stone frames feature a reflective stainless front plate and optional polished black granite interior. Simply operated by the innovative sequential remote, you can now sit back, relax and control everything at the touch of a button. Style has never been so effortless!

Stone choice: Firenza - Granite*, Pienza - Limestone* and Sienna - Travertine*

Fuel beds: White stones and Glass beads (Red, clear or black)

Command Control: Sequential remote

Linings: Black Steel (Open Fronted Standard) and Polished Granite (Open Fronted Upgrade)

*Stone is a natural material and therefore each fire will have unique variations in the shading and patterning that occur in the stone used.
