Studio Electric E-Motiv

Sophisticated electric fire

The Studio Electric E-motiv fire comes in a sophisticated two-part design. This eye-catching electric fire features a frame with a sleek glass front laid on top of a stylish timber background to create a layered and thoroughly distinctive look.

Each layer can be tailored with your choice of finish. The front is available in either black or white glass whilst a choice of real Walnut or Oak veneer finishes can be selected for the background. Each option is fully compatible so you can choose your preferred combination of glass colour and wood finish to best suit your interior décor.

The E-Motiv is available for all four sizes of the Studio Electric including the portrait Studio Electric 22. With alluring LED flame effects, the Studio Electric E-Motiv will create a warming ambience and eye-catching aesthetics with the ultimate convenience offered by a high quality electric fire.

Rear finish choices: Walnut, Light Oak and Medium Oak.

Front finish choices: Black Glass and White Glass.
