Riva2 670 Verve

Create maximum impact with the Riva2 670 electric fires

The stylish Verve is a 3D frame designed to create maximum impact in your home. Designed with a gentle curving form that can be appreciated from all angles, the Verve is available in sophisticated Graphite or can be tailored to your room with one of Gazco's vibrant colour finishes: Metallic Red, Metallic Blue, Metallic Bronze or Ivory to create an even stronger style statement.

Whether it's for a sumptuous sitting room or a stylish study, with a stunningly realistic fuel effect and convenient remote control, the Riva2 670 Electric Verve can add a touch of warming luxury to your home.
