Studio Electric Verve

The stylish Studio Electric Verve has a beautifully curved frame in a choice of five stylish finishes, making a striking designer statement to be appreciated from all angles. Whether it's a luxurious living room or a stylish study, the hang-on-the-wall Studio Electric Verve is incredibly versatile with three landscape sizes and a portrait option.

The designer fire heats your room on command from your remote control. With two adjustable heat settings and four flame brightness levels, you can create the perfect atmosphere for every situation. Simply plug in your Studio Electric Verve and instantly enjoy the inviting glow created by our unique LED flame-effect technology.

Finish choices: Graphite, Metallic Red, Metallic Blue, Metallic Bronze and Ivory.

Fuel bed effect: White stones only.
