Arts2

Add instant style to any decorative interior

The Arts2 has all the elegant sophistication of the 1920's style Arts frame, but we have incorporated a beautifully crafted louvre. It is available in the ever popular 16" width and has a number of beautiful finishes to add instant style to any decorative interior.

Colour choices for the frames: Matt Black, Highlight Polished, Polished Chrome, Polished Brass, Polished Brass Effect and Polished Steel Effect.

Fuel effects: White stone, Coals or Glass Bead fuel effects.

Control options: A choice of manual, Standard upgradable, Slide control or Programmable remote controls.
