Logic HE Tempo, with slide control

Tempo

Sure to create a focal point in any contemporary interior

The Tempo is a sleek, stylish complete black glass front in a choice of either a matt black, polished stainless steel or brushed stainless steel finish. Forming the perfect complement to our high efficiency, glass fronted fires, the Tempo is sure to create a focal point in any contemporary interior. The Tempo also offers a unique lift mechanism on the fret, which allows for full ease of access to the controls within.

The complete Logic family of fires are available with your choice of three different control systems; Manual Control, Slide Control or for the ultimate luxury heating experience, a Remote control to give you convenient control from the comfort of your sofa.

Fuel effects: White stones, Coals or Glass Bead fuel effects (dependant on the type of model).
