Riva Vision Medium Stove

Style and powerful heating performance

The spectacle of dancing flames viewed through the all-glass door is maximised in the Riva Vision Medium stove. It means you get outstanding style and powerful heating potential in equal measure.

The stove is available either as a wood burning model or as multi fuel model with riddling grate.

Multi fuel versions can also burn smokeless fuels and peat/turf briquettes.

Further options for the Riva Vision stove:

- · Ceramic glass top
- Riva plinth with matching glass front
- Riva benches
- External air kit
