
Logic Electric Fusion

The latest addition to the Logic Electric range, showcases an outstanding combination of smooth, sparkling glass with a choice of striking Graphite or Iridium finishes. The ultra contemporary stying of the Logic Electric Fusion features a white stone fuel bed which will bring a truly unique focal point to your living space.

You can now personalise your fire by upgrading the white stone fuel bed to one of three striking coloured glass beads.

The Fusion combines contemporary aesthetics with cutting edge technology and benefits from a choice of 2 heat settings and 4 levels of flame brightness which are all controlled from the comfort of your sofa using the remote.
