Brunel 2CB Stove

High quality cast iron stove – for high efficiency heating

If you have a little more space available then the Brunel 2CB multi fuel stove will bring you the extra heating capacity and economy of the Stovax Cleanburn System.

This stove incorporates all the state-of-the-art features you would expect from Stovax's advanced designs. For example, the stainless steel baffle warms up faster than cast iron so it starts working more quickly, setting new standards in stove performance.

Stove colour choices:Matt Black, Midnight Blue Enamel, Laurel Green Enamel, Ivory Enamel & Matt Ivory.
