Riva 67 Vetro Gas Fire

Ultimate style in the shape of the Riva Vetro gas fire

Style abounds in the shape of the Riva Vetro gas fire. Its widescreen appearance and realistic log-effect fire provide the ultimate centrepiece for your living space. The impressive sleek black glass accentuates the flickering flame picture to the full and is sure to make a designer statement in your home, even when the fire is turned off!

All gas Riva 53 and 67 models come with manual operation and the option to upgrade to a Standard remote control (allowing you to adjust both the flame height and heat output) or the Programmable remote control (with additional thermostatic and timer functions).
