
Studio Andes, Inca, Kepler Gas Fires

A beautiful, natural design statement

The Studio Andes, Studio Inca and Studio Kepler gas fires offer a beautiful natural design statement. Available only with the Open Fronted 1 and 2 Studios, these eye-catching solid timber frames cannot fail to impress as they surround a real gas fire in a choice of Walnut and Oak*. Perfectly crafted to fit in with the latest wood designs, these Innovative gas fires perfectly complement many of the current popular interior design concepts.

*Wood is a natural material. There will be variations in shading and, occasionally knots in the timber used.

Wood choice: Andes (Walnut centre with stained Oak edges*), Inca (Walnut quarters*) and Kepler (Solid Walnut*)

Fuel beds: White Stones and Glass Beads (Red, Clear or Black)

Command Controls: Sequential remote

Linings: Black Steel (Open Fronted Standard) and Polished Granite (Open Fronted Upgrade)
