# Progress

## Versions to suit virtually all homes

Smooth curves and a metallic alloy finish are the hallmarks of the Progress gas fire.

Available in 16" and 22" widths, there are versions to suit all homes – even if your room doesn't have a chimney.

Fuel effects: White stones, Coals or Glass Bead fuel effects (dependant on the type of model).

All versions have an Iridium colour finish and, according to model, a choice of manual, Standard upgradable, or Programmable remote controls.
