# Regency Hob Grate

## Originally produced during the reign of George IV

The Hob Grate insert was originally produced circa 1827 during the reign of George IV. The *hobs* either side of the grate were used for small saucepans and kettles, making this fireplace particularly appropriate for dining rooms as well as living rooms.

The Regency Hob Grate insert is available in traditional matt black or highlight polished with the option of an ashpan cover and gas fire.
